## **Rental Insurance Definitions**

### **What is Supplemental Liability Insurance (SLI)?**

Supplemental Liability Insurance (SLI) is a liability insurance policy that provides protection for the renter and any listed authorized driver against claims made by third parties for bodily injury, death, and/or property damage caused by the use or operation of the rental motorcycle.

### **What is Personal Accident Coverage?**

Personal Accident Coverage provides an accidental death benefit and an accidental medical expense benefit for the renter and passengers, for bodily injuries which may result from an accident during the rental period.

### **What is the Loss/Damage Waiver (LDW)?**

The Loss/Damage Waiver (LDW) (not an insurance) will reduce the renter's responsibility to \$2,000.00 of any damage to the motorcycle or theft (theft restrictions apply, please read Waiver, Renter Obligations thoroughly) Example of Loss Damage Waiver coverage: By purchasing the LDW, if the motorcycle suffers damage in the amount of \$5,000, and I have complied fully with the Rental Agreement, I would be responsible for paying the first \$2,000 (amount of Security Hold Deposit) of those damages, but not the remaining amount.
